

VERMONT UNINSURED AND UNDERINSURED MOTORIST COVERAGE SELECTION FORM

Uninsured Motorist Coverage provides insurance for the protection of persons insured under the policy who are legally entitled to recover damages from the owners or operators of uninsured motor vehicles and hit-and-run vehicles because of bodily injury, sickness or disease, including death, and for damage or destruction of the property of such insured. Underinsured Motorist Coverage provides protection for bodily injury only, where the sum of the limits of liability under all bodily injury liability bonds and insurance policies applicable at the time of the accident is less than the applicable limits of liability under your policy.

Bodily Injury Uninsured Motorist Coverage (including Underinsured Motorist Coverage) is required to be part of your auto policy at limits of \$100,000 bodily injury per accident. You have the right to select lower limits than your policy's Bodily Injury Liability Coverage limits, but not lower than \$100,000 bodily injury per accident. Property Damage Uninsured Motorist Coverage is required to be part of your auto policy at a limit of \$10,000, subject to a \$150 deductible.
